## Re-elect A Proven Leader Who Puts Residents First

While I was supervisor for 12 years (2008-2019), my goal was always to make Wallace Township the best place for the people of Wallace to live, raise families, and enjoy the rural tranquility we all cherish. From improving roads and emergency services, to cutting taxes, to protecting property rights and maintaining our rural character, I have always put our residents first!

## Community Service and Experience:

- Voted to remove the Wallace Township property tax (No property tax since 2009!)
- Worked with local ambulance company to cut response times in half and staff ambulances with paramedics.
- RoadMaster for 12 years – responsible for plowing and road maintenance – steered much needed \$ to roads
- Significantly increased funding to emergency services
- Served as a Church Elder, Sunday School Teacher and Youth Group Leader
- Owner mulchmonkey.com / Owner BPM – National Telecom Site Maintenance
- Past Founder/Owner of a Software Design Company
- Bachelor of Computer Science – Penn State / Master of Computer Science - Villanova
